COMPANY

Founded in 2022, PileCrittter is a swiftly growing company in the European drilling market. Our team, though small, is rich in diversity and expertise, encompassing a range of roles from strategic leadership to market-specific business development. Fluent in multiple languages, our team is well-equipped to cater to various European markets. Together, our mission is rooted in delivering value through reliable, high-performance tools essential for construction and civil engineering.

At PileCrittter, we're driven by a relentless dedication to our customers, aiming to be the cornerstone of Europe's drilling industry. Our vision encompasses not just supplying tools but fostering growth and progress in every project we touch. We're focused on enhancing our services by developing rapid response teams, further decreasing dispatch times, and expanding our product catalogue. Join us in redefining drilling industry standards with solutions that speak of quality, efficiency, and innovation!

EU HUB

Focusing on local stock within Europe, PileCrittter has significantly reduced delivery times and improved service dependability for our European clients. This strategic move underscores our dedication to addressing the unique requirements of the European market and strengthening our position in the region.

BESPOKE SERVICE

We are eager to take on special requests, ensuring clients receive precisely what they need for their projects. We specialize in understanding unique requirements and leveraging an extensive product range to fulfill even the most specific demands. With a focus on customization and adaptability, our team is committed to turning special requests into reality, offering solutions that are not just satisfactory, but perfectly aligned with each client's unique business needs.

CONTINUOUS FLIGHT AUGERS (CFA)

PileCrittter's range of CFA pile drilling tools, designed for high efficiency and precision in foundation drilling. Engineered for diverse soil conditions, these tools offer enhanced performance, durability, and safety, meeting the rigorous demands of modern construction projects.

CONTINUOUS FLIGHT AUGERS (CFA)

FLANGE TYPE CFA ROD

D: Diameter L: Length P: Pitch D: Central pipe diameter T: Flight thickness

DIAMETER (mm)	INNER DIAMETER (mm)	CENTER PIPE (mm)	PITCH (mm)	FLIGHT THICKNESS (mm)	HEXAGONAL COUPLING SIZE
300	100	146x20	300	20	HEX150
	125	180x25	300	20	HEX180
400	100	146x20	400	20	HEX150
